#### Order

No. 2/23/00-TS/LOD

Read: 1. Audit Report for the year 1992-93.

2. Letter No. 6/23/98/ADT dated 10-2-2003.

3. This office Notice No. 2/23/00-TS/Vol.II dated 20-7-2004 whereunder the society was called upon alongwith Managing Committee Members on 13-8-2004.

Shree Rawalnath Sahakari Grahak Society Ltd., Pedne-Goa was registered under code symbol No. CON-2/Goa on 25-3-1963 and was classified as a "Consumers Society" under sub-classification No. 2 of Rule 9 of the Co-op. Societies Rules, 1962 as made applicable for the State of Goa. The main objects of the society are to encourage thrift, self help and co-operation among its members to sell to its members as well as to other consumers all consumable articles/items brought or manufactured or processed either by itself or in collaboration with other society or procured from other agencies and to undertake the purchase on whole sale or manufacture raw-material and consumers commodities etc.

And whereas, in terms of provisions of Rule 58 of Co-op. Societies Rules, 1962 every Co-op. Society shall prepare statements of Accounts within 45 days of close of every Co-op. year i.e. 15th May of every Co-op. year and copy of such statements of accounts shall be submitted within 15 days from the date of preparation i.e. 31st May to the auditor appointed by the Registrar of Co-op. Societies to undertake the audit of your society for each and every respective Co-op. year. However, it is observed that the society has failed to prepare the statements of accounts comprising of Trading account, profit and loss, Receipt Payment and balance sheet alongwith relevant schedules for the year 1993-94 till date and as such the society has violated the provisions of aforesaid Rules.

And whereas, it appears from the records of this office that the society has not held its Annual General Body

Meeting in accordance with the provisions of Section 75 of the Maharashtra Co-op. Societies Act, 1960 as applied to the State of Goa. Infact it was mandatory on the part of the management to call the aforesaid meeting within a period of three months next after the date fixed for making up its statements of accounts every year i.e. latest by 15th of August and in case of failure it can be convened within the extended period upto 14th November with prior permission of the Registering Authority. However, the Management has failed to comply with the aforesaid Section and hence it is felt that there is no chance of improving such precarious position of the society at this juncture, so also none of the members appears to be interested in running the day to day affairs of the Society.

And whereas, it appears from the records resting in this office that the audit of said society has been completed upto the year 1992-93. Although repeated attempts have been made by this office to conduct the audit of the society through the auditors to whom the audit was allotted. The Management has failed to extend co-operation to undertake the audit and therefore, inordinate delay was caused which was lead to the pendency of audit for more than 9 years. The audit report rested with this office exhibits the financial position as on 31-3-1993 as follows. The society is having accumulated profit to the tune of Rs. 21,372.28, Members share capital Rs. 9,750/- and closing stock Rs. 31,168/-. Considering the above position, it was mandatory on the part of the Management to run the affairs of the society smoothly and efficiently so as to achieve its objectives as laid down in the bye-laws of the society when they have failed to do. Despite of this fact the society has not taken any cognizance to streamline the working of the society nor made any efforts to improve the prevailing conditions and therefore lead to the stagnation of the society.

And whereas, this office vide letter mentioned at Sr. No. 2 has brought to the notice of the Chairman regarding non-compliance of the provisions of Rule 58 of the Co-op. Societies Rules, 1962 for the State of Goa and instructed them to prepare and submit its statements of accounts by 28-2-2003. It was further cautioned to take drastic action against the society as per the prevailing Law in force, in case the society fails to comply with the above requirements. Considering all the aspects, I am of the considered opinion that the Management has not adhered to the instructions so also they are no more appear to be interested in managing the affairs of the society within the frame work of Act, Rules and Bye-laws of the society and therefore, it is felt that no useful purpose would be served in continuing the existance of said society if the said society is allowed to continue in a such a state there will be no scope for the improvement and may lead to further deterioration.

In view of the above, the undersigned vide Notice mentioned at Sr. No. 3 has requested the Chairman

alongwith the members of Managing Committee to remain present for hearing scheduled on 13-8-2004 at 10.30 a.m. in the Chamber of the undersigned in terms of provisions of sub-section (2) of Section 102 of the Maharashtra Co-op. Societies Act, 1960 to submit their say in writing together with copies of relevant documents to defend their say. However, only one member attended the hearing and he was of the opinion that no useful purpose will be served in continuing the affairs of the society as none of the members are interested in running the affairs of the society. Moreover, none of the members has filed written replies in this respect.

On carefully examining the precarious state of the present financial position and poor response from the management for managing the affairs of the society as per the provisions of Act, Rules and Bye-laws, there are sufficient grounds to believe that there is prima-facie evidence that the society has ceased working and also irregular conduct of the business of aforesaid society by office bearers and the members of Management. Consequently, in the interest of justice and restoring of the trust of the share holders' there seems to be no other alternative/option before the Registering Authority but to wind up the affairs of the society.

Therefore, I am inclined to pass the following order.

#### ORDER
